### Field Guides

Many excellent field guides useful for both experts and amateurs are now available. The list below shows books that represent larger geographic regions, but there are also many additional region-specific guides. Most are easily available or can be ordered by your local bookstore, or found online.

1. Dragonflies and Damselflies of Texas and the South-Central United States: Texas, Louisiana, Arkansas, Oklahoma, and New Mexico (John Abbott).
2. Dragonflies and Damselflies of Georgia and the Southeast (Giff Beaton).
3. Introducing the Dragonflies of British Columbia and the Yukon (Rob Cannings).
4. Dragonflies Through Binoculars: A Field Guide to Dragonflies of North America (Sidney Dunkle).
5. Libélulas de Mesoamérica y el Caribe (Carlos Esquivel).
6. Dragonflies and Damselflies of the East (Dennis Paulson).
7. Dragonflies and Damselflies of the West (Dennis Paulson).

### Equipment

1. BioQuip ([www.bioquip.com](http://www.bioquip.com)): wide range of general entomology supplies & books.
2. Rose Entomology ([www.roseentomology.com](http://www.roseentomology.com)): high-quality insect nets.
